Any exhibitors wanting a different curtain layout or wanting to provide their own walls that do not fit these dimensions, must request written permission from the Show Manager before **December 1, 2017**.

ELECTRICAL:

- Not included in booth rental; arrangements to be made through Stronco as the Show Supplier; see order form www.lifestylehomeshow.ca; discount offered prior to deadline date
- Heavy Hydro – Not available in Building 1, limited in Building 2; please check availability with Show Manager
- No additional overhead lighting available
- No extension cords or power bars available on site; if exhibitors bring their own, should be minimum 25'
- ESA inspections are conducted before show opening to identify any electrical hazards that may be present as a result of unsafe practices when the vendors have completed their temporary electrical hook-ups. This may consist of damaged equipment, grounding issues, unapproved equipment for sale or in use, misuse of extension cords/power bars, etc. **Exhibitors are responsible for ensuring their booths are properly wired in keeping with ESA requirements. Exhibitors are responsible for any extra charges levied against the Lifestyle Home Show / London Home Builders' Association for contraventions within their display.**

FLOOR COVERING: All floor space MUST have a suitable floor covering; not included in booth rental; may be ordered through Stronco or provided by exhibitor.

FORK LIFT: Contact loading supervisor on Loading Dock along west side of Building 2.

GAS: Not available in Lobby or Building 1; specific locations only in Building 2; to confirm availability, check with the Show Manager. To order, contact Stronco.

INSURANCE: Exhibitor to obtain \$2 million liability insurance at its own expense during the period commencing on the first move-in date and terminating on the last move-out date; must be acceptable to Show Manager.

INTERNET: The Lifestyle Home Show provides free wireless internet where applicable, but do not guarantee this to be secure and does not encourage any sensitive transactions; Dedicated internet lines may be arranged through Stronco.

LOADING DOCK: Three loading docks located on the west side of Building 2.

SELLING: Is permitted at the Lifestyle Home Show but all products to be sold must be clearly specified on the contract before booth space will be confirmed; sales of unauthorized products at the show will be stopped.
