**DRAPE / PIPE DIMENSIONS:** Curtaining is provided. Standard layout - rear 8' high across full width of booth, Side - 8' high for 4' from the rear, 3' high for 6' to the front edge of the booth – Any exhibitors wanting a different curtain layout or wanting to provide their own walls that do not fit these dimensions, must request written permission from the Show Manager before **December 1, 2018**.

**ELECTRICAL:**

- Not included in booth rental; arrangements to be made through Stronco as the Show Supplier; see order form [www.lifestylehomeshow.ca](http://www.lifestylehomeshow.ca); discount offered prior to deadline date
- Heavy Hydro – Not available in Building 1, limited in Building 2; please check availability with Show Manager
- No additional overhead lighting available
- No extension cords or power bars available on site; if exhibitors bring their own, should be minimum 25'
- ESA inspections are conducted before show opening to identify any electrical hazards that may be present as a result of unsafe practices when the vendors have completed their temporary electrical hook-ups. This may consist of damaged equipment, grounding issues, unapproved equipment for sale or in use, misuse of extension cords/power bars, etc. **Exhibitors are responsible for ensuring their booths are properly wired in keeping with ESA requirements - the exhibitor is responsible for any extra charges levied against the Lifestyle Home Show / London Home Builders' Association for contraventions within their display.**

**FLOOR COVERING:** All floor space MUST have a suitable floor covering; not included in booth rental; may be ordered through Stronco or provided by exhibitor.

**FORK LIFT:** Contact loading supervisor on Loading Dock along west side of Building 2.

**GAS:** Not available in Lobby or Building 1; specific locations only in Building 2; to confirm availability, check with the Show Manager. To order, contact Stronco.

**INSURANCE:** Exhibitor to obtain at its own expense during the period commencing on the first move-in date and terminating on the last move-out date a policy of \$2 million liability insurance acceptable to Show Manager.

**INTERNET:** The Lifestyle Home Show provides free wireless internet where applicable, but do not guarantee this to be secure and does not encourage any sensitive transactions; Dedicated internet lines may be arranged through Stronco.

**LOADING DOCK:** 3 loading docks located on the west side of Building 2.

**HELIUM TANKS AND BALLOONS:** Helium tank are not permitted on site. Balloons can ONLY be used to decorate a booth or room. No balloons of any type are allowed to be distributed at an event, without prior approval by the Show Manager.

**VEHICLES IN THE SHOW:** Any vehicle left on site must have the battery disconnected and have a low fuel level. Keys are to be left in the show office in case of emergency after hours.

**SELLING:** Is permitted at the Lifestyle Home Show but all products to be sold must be clearly specified on the contract before booth space will be confirmed; sales of unauthorized products at the show will be stopped.

**SHIPPING ADDRESS:** Western Fair District, 845 Florence Street, London M5W 6G6

**SHOW SUPPLIER:** Contact to order electrical, rent floor coverings, booth displays, order sign hanging, etc. Stronco 1 800 665-2621 [www.stroncoonline.com](http://www.stroncoonline.com)

**SIGN HANGING:** All signage must not overhang or encroach upon adjacent exhibits. Including double sided signs. Signs to be hung by the Western Fair District will be at a charge based on the size and number of signs and level of difficulty and can be ordered through Stronco. Signs must be received at the show no later than **Friday January 18, 2019 or will not be hung**. NOTE – In Building 1, WFD must approve all overhead sign locations prior to hanging to ensure hanging is possible.

**WATER ACCESS:** Building 1 – None; Building 2 – Along the perimeter.
